## **Preparations for the session of TRIZ Master Certification Council 2018**

Dear Colleagues!

1. Let us remind you, that a session of TRIZ Master Certification Council (TMCC) is scheduled for September 15, 2018 as one of the events of *TRIZfest-2018* Conference. The Conference will take place in Lisbon, Portugal September 13-15, 2017. More information about the Conference is available at <https://matriz.org/>

2. Finally, four applications have been received by TMCC:

Two candidates have applied through defense:

- Anton Kojemyako, Russia
- You Shin Han, South Korea

Two candidates have applied for outstanding achievements in the field of practical application of TRIZ in the inventive or innovative activity:

- Jae Yeon Kim, South Korea
- Yongwei Sun, China

3. An updated version of MATRIZ Level 5 (TRIZ Master) Certification Regulations as of February 28, 2018 is now available at <https://matriz.org/wp-content/uploads/2012/09/TRIZ-Master-Certification-Regulations-Eng.-Feb-2018-022818-1OF.pdf>

4. In accordance with #13 of TRIZ Level 5 (TRIZ Master) Certification Regulations: "No later than six weeks prior to TMCC session, the applicant should send to MATRIZ TMCC (addressed to the Chairman of the TRIZ Master Certification Council and to the Academic Secretary) all information necessary for the review of the thesis: the thesis itself, author's abstract, review written by the research supervisor (it is acceptable to submit this review immediately prior to the TMCC session), and curriculum vitae of the applicant. All materials are prepared either in Russian or in English. Author's abstract of the thesis is submitted both in Russian and in English. All TMCC members should have access to all materials of the applicant's thesis."

Applicants on merit are also requested to submit their final application materials no later than six weeks prior to TMCC session.

Best regards,

Simon Litvin, PhD, TRIZ Master, Chairman of MATRIZ TMCC
